

Check your body for ticks after being outdoors. Conduct a full body check upon return from potentially tick-infested areas, including your own backyard. Use a hand-held or fulllength mirror to view all parts of your body. Check these parts of your body and your child's body for ticks:

Source: CDC

If you find a tick embedded on you or your child, you can bring it to Uncas Health District and have it submitted for testing at the CT Agricultural Experiment Station at no charge.
